If you have any questions or require further processing information, please e-mail the Technical Service Group at [wp.techservices@audia.com](mailto:wp.techservices@audia.com)

*These process conditions are typical processing parameters for injection molding. Use of these operating conditions, however, does not guarantee desired performance for all applications because of potential variability in a variety of factors including, but not limited to, gating, molding equipment, injection mold screw design, dispersion equipment, tooling, tool steel type, cooling capability, and part geometry. Washington Penn Plastic Co., Inc. makes no representations or warranties concerning product performance in any application.*
